

RoHS

技术要求:

- 1.工艺:镭雕
- 2.2:1视图尺寸

Wireless Charger

Model:10WCH

FCC ID:2APXNLACA221

Input: 5V=3A, 9V=2A

Output: 10W Max.

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.
