HAC Ratings: M3/T3

Hearing Aid Compatibility: This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or phone retailer.

5G: Not all devices, signals, or uses are compatible; check device specs. See T-Mobile.com, MetrobyT-Mobile.com, or Sprint.com for 5G coverage, access and network management details.

Your device may not work if you alter its original software. Operating system and preloaded content use a portion of the internal memory. Features and specifications subject to change. Registration, terms of use, privacy policy, and operator fees apply. Items imported. See each item for country of origin. Contains Li-Io battery, dispose per local regulations and not as household waste. FCC ID: 2APXW-TMAF025G.

See **Terms and Conditions (including arbitration provision)** at T-Mobile.com, MetrobyT-Mobile.com, or Sprint.com, for additional information, restrictions and details.
