FCC STATEMENT

This device complies with Part 15 of the FCC Rules .
 Operation is subject to the following two conditions
 (1) This device may not cause harmful interference
 (2) This device must accept any interference received ,
 including interference that may cause undesired operation
 The Bluetooth word mark and logos are registered
 trademark owned by Bluetooth SIG, Inc .
 and any use of such marks by
 NINGBO LEADER IMPORT AND EXPORT CO LTD
 is under license. Other trademarks and trade names
 are those of their respective owners.

This device has been tested and found to comply with the
 limits for a Class B digital device, pursuant to Part 15 of
 the FCC Rules. These limits are designed to provide
 reasonable protection against harmful interference in a
 residential installation. This device generates, uses and
 can radiate radio frequency energy and, if not installed
 and used in accordance with the instructions, may cause
 harmful interference to radio communications.

However, there is no guarantee that interference will not
 occur in a particular installation. If this device does cause
 harmful interference to radio or television reception, which
 can be determined by turning the device off and on, the
 user is encouraged to try to correct the interference by one
 or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the device and receiver.
- Connect the device into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the
 party responsible for compliance could void the user's
 authority to operate the equipment
