

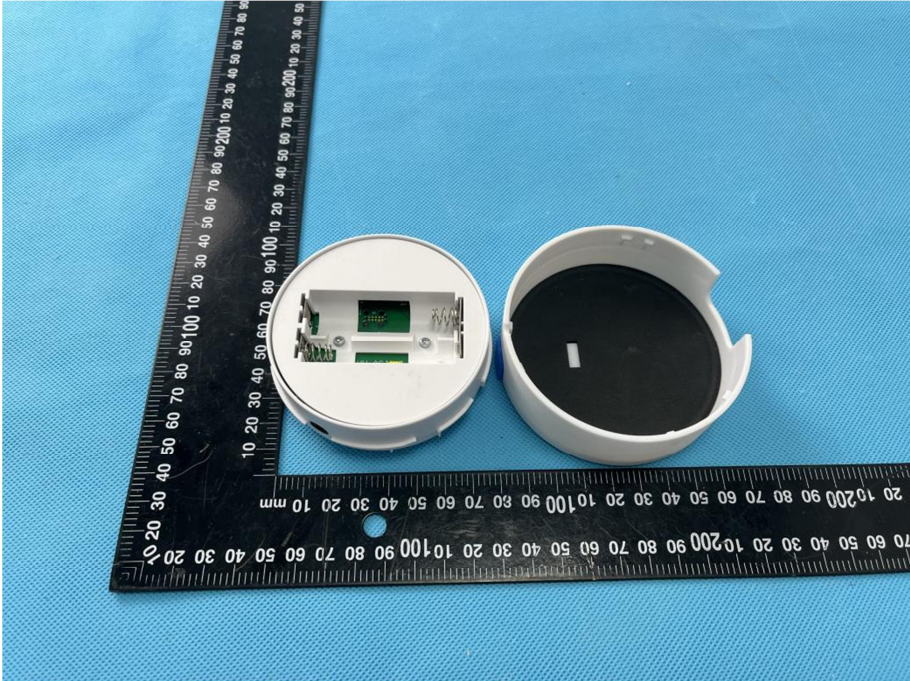

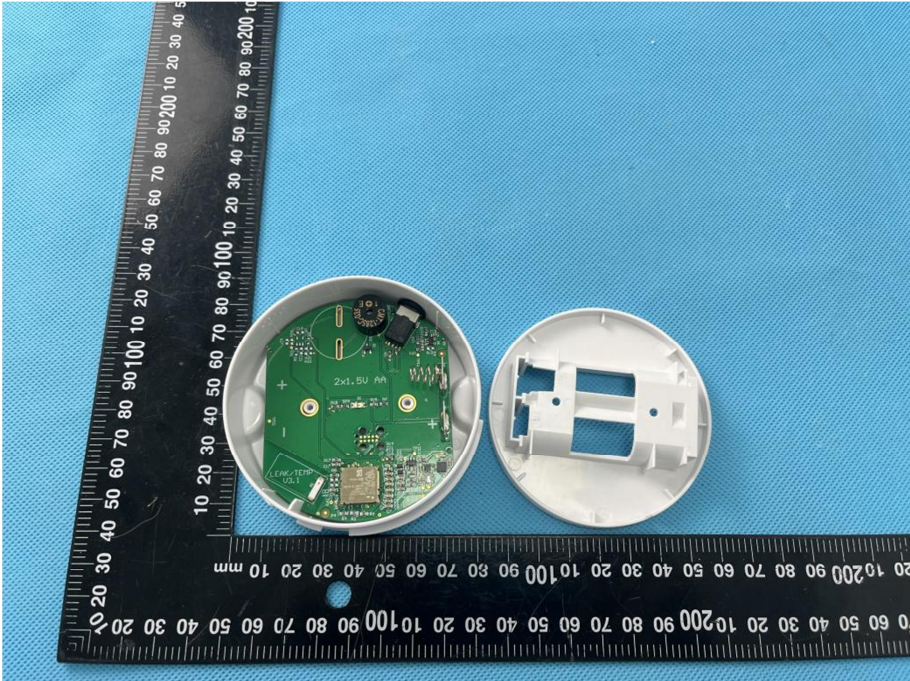

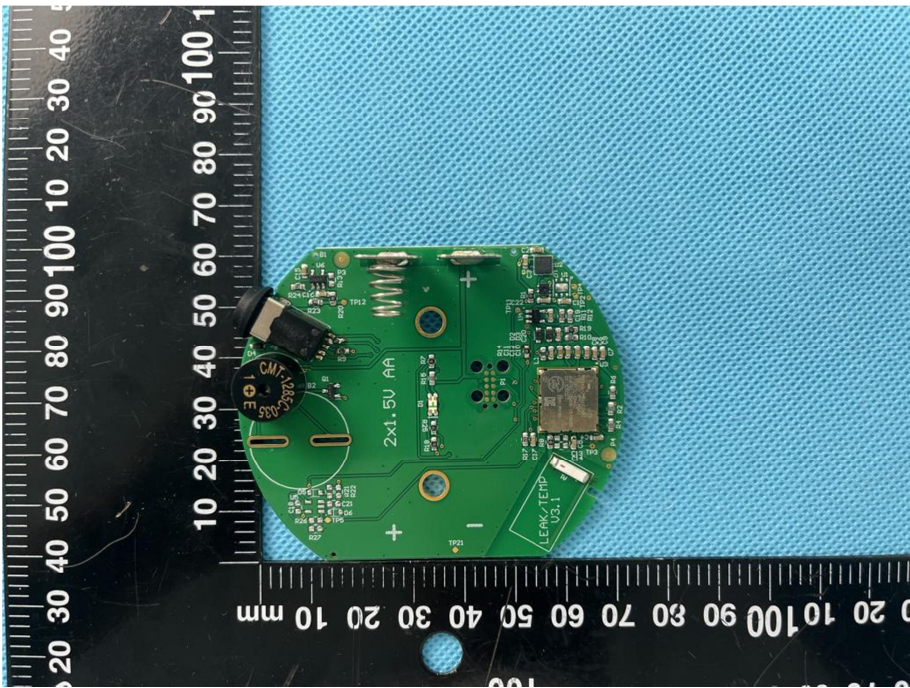

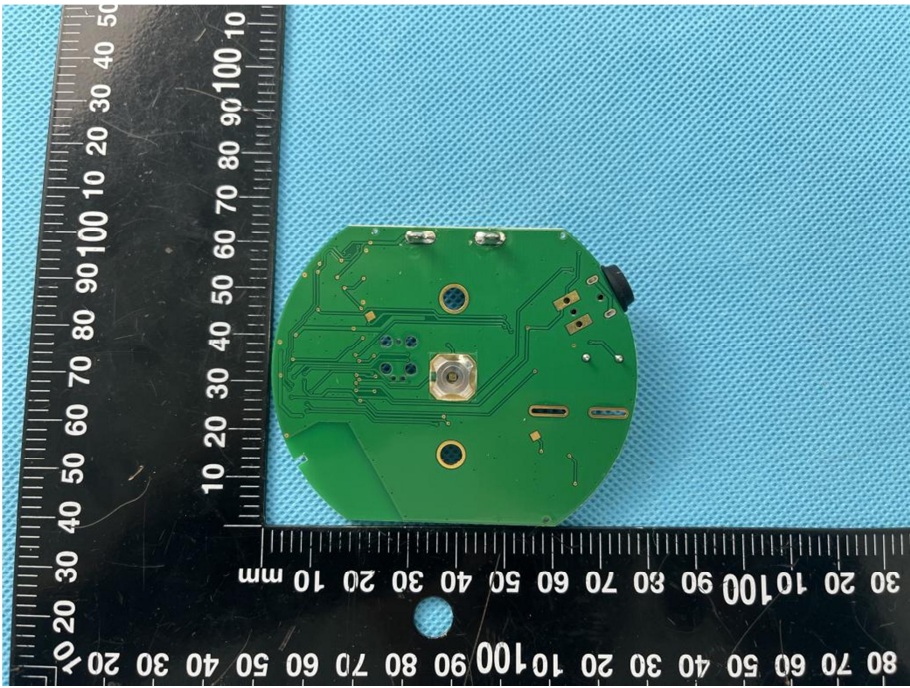

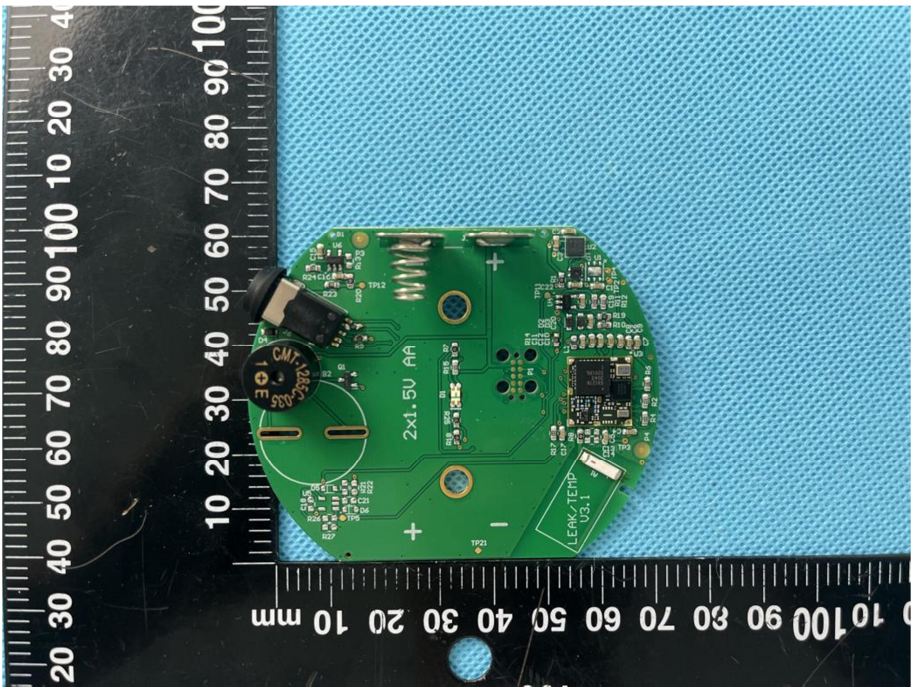

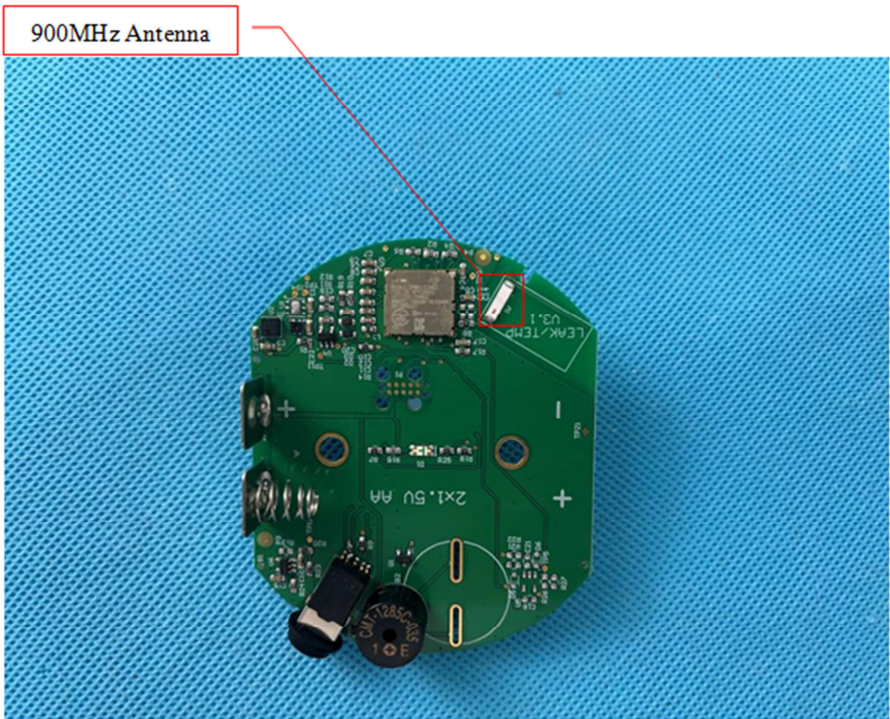

### EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p><b>EUT Housing and Board View 1</b></p>	
<p><b>EUT Housing and Board View 2</b></p>	

<p style="text-align: center;"><b>Solder Board-Component View 1</b></p>	 A photograph of a green PCB component with a circular shape. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's diameter being approximately 100 mm. The PCB has various components, including a black cylindrical component on the left, a silver component labeled '2x1.5U AA', and a silver component labeled 'LEAK/TEMP U3.1'. There are also several small components and traces on the board.
<p style="text-align: center;"><b>Solder Board-Component View 2</b></p>	 A photograph of the same green PCB component from a different angle. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's diameter being approximately 100 mm. The PCB has various components, including a silver component labeled '2x1.5U AA', a silver component labeled 'LEAK/TEMP U3.1', and several small components and traces on the board.

<p style="text-align: center;"><b>Solder Board-Component View</b> 3</p>	 <p>A photograph of a green PCB component with a circular shape. The component is placed on a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm. The PCB has various components, including a black component labeled 'CM7 530-330', a silver component labeled '2x1.5V AA', and a white component labeled 'LEAK/TEMP U3.1'. The PCB is set against a blue textured background.</p>
<p style="text-align: center;"><b>Antenna View</b></p>	 <p>A photograph of the same green PCB component, viewed from a different angle. A red callout box with the text '900MHz Antenna' is positioned at the top left. A red line points from the callout box to a small component on the PCB, which is labeled 'LEAK/TEMP U3.1'. The PCB is set against a blue textured background.</p>
