

## Declaration

The C180918R02-RPW report was missing a symbol due to a clerical error of our company. We did not apply for a certificate at that time. Now we have corrected it to generate a C181214R01-RPW report. Please apply for the certificate with C181214R01-RPW.

A handwritten signature in black ink, appearing to read "Mandy Liu". The signature is written in a cursive style with a large initial 'M' and a distinct 'L'.
