EUT View 6

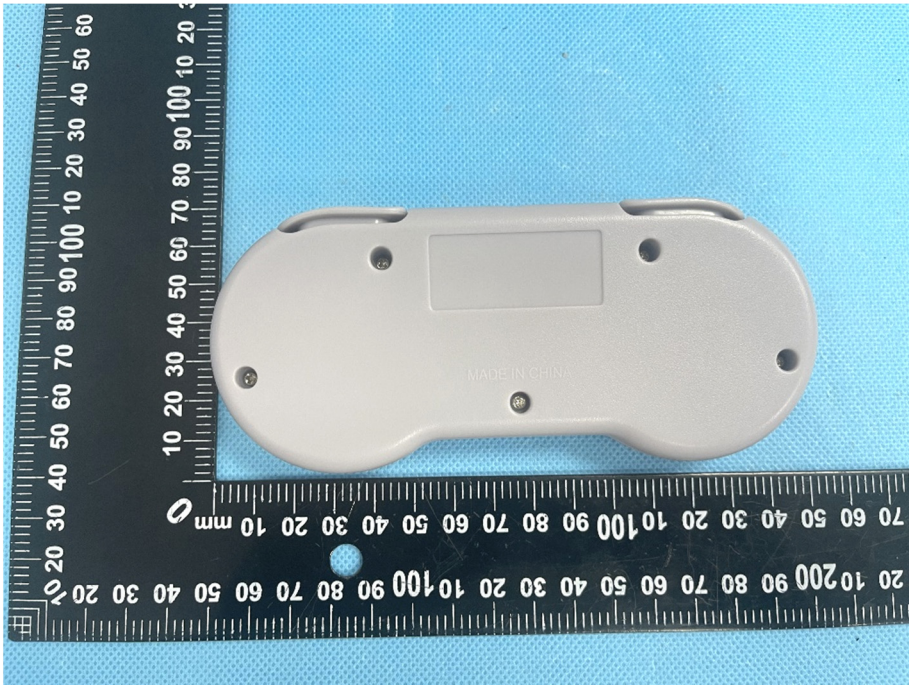

<p>EUT View 7</p>	 A photograph showing the back of a grey handheld device. The device has a central rectangular area, possibly a display or sensor, and four small circular holes. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
<p>EUT View 8</p>	 A photograph showing the side of the grey handheld device. It features two large buttons labeled 'R' and 'L' on the left side, and two smaller buttons labeled 'R2' and 'L2' on the right side. A central port, likely a USB or similar connector, is visible between the buttons. The device is set against a blue textured background.

<p>EUT View 5</p>	 A photograph showing the back view of a grey handheld electronic device. The device is placed on a blue textured surface next to a black L-shaped ruler. The ruler has markings in millimeters and centimeters. The device has a rectangular display area in the center, two circular buttons on the left and right sides, and a small circular button at the bottom center. The text "MADE IN CHINA" is visible on the back of the device.
<p>EUT View 6</p>	 A photograph showing the front view of the same grey handheld electronic device. The device is placed on a blue textured surface next to a black L-shaped ruler. The ruler has markings in millimeters and centimeters. The device features a directional pad (D-pad) at the top, two small buttons labeled "START" and "SELECT" below it, and four action buttons labeled "A", "B", "X", and "Y" in red, yellow, blue, and green respectively.
