2 A121 Label Declaration

The size of the A121 package is 5.2 x 5.5 x 0.88 mm and thus FCC ID label not possible to be placed on the module.

Note that the A121 package includes A121 marking information and thus not possible to add FCC ID labelling information due to the small form factor. See figure 1.

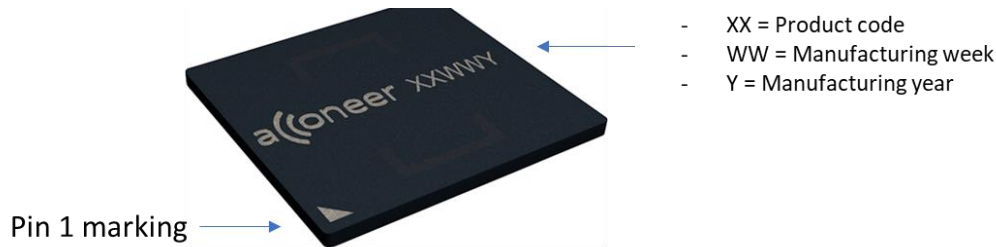

Figure 1, Acconeer A121 marking

FCC ID is placed in the User Manual (chapter 10), see separate document.

FCC ID is also placed on the device packaging, see following picture of the packaging artwork with correct markings:
