RE: Application VivaQuant, Inc.
FCC ID: 2AQ8D-RX-2
Part 2.1043(b)(2) Class II Permissive Change

To whom it may concern,

We are seeking a Class II permissive change for application of the FCC ID: 2AQ8D-RX-2 Cellular modem used in the Model RX-1 mini, Rhythm Express, Remote Cardiac Monitor. The applicable rule parts are 47 CFR part 27. The current FCC ID is 2AQ8D-RX-2.

The body worn torso device (RX-3) RX-1 mini uses this modularly approved device as described in the application literature. The RX-1-mini uses an antenna that meets the requirements specified by the manufacturer for the module in agreement with its approval.

The RX-1 mini limits the output power through duty cycle to allow for use on the torso and <20cm away from the body.

Please let us know if you might require anything further to assist with your review of this Change in Identification of Equipment.

Sincerely,

DocuSigned by:
