This product can expose you to a chemical or group of chemicals, which may include "Lead and lead compounds" which is known in the state of California to cause cancer, birth defects, or other reproductive harm. For more info, go to <https://www.p65warnings.ca.gov/>.

### Features:

- True Wireless Stereo System
- High-Powered Speaker System
- Wireless & Portable BoomBox Stereo
- Wireless BT Music Streaming Ability
- Includes Wired Microphone for Karaoke Fun
- Multi-Color Flashing Ring LED Lights
- Built-in LED Lights for Stunning Visuals
- FM Radio with Digital LED Display
- Built-in Rechargeable Battery
- Aux (3.5mm) Input
- MP3 Digital Audio File Support
- Connect & Stream Audio from External Devices
- USB Flash Drive Memory Reader
- Micro SD card reader
- 1/4" Input Jacks for Microphone
- Ported Enclosure for Extended Bass Response
- Integrated Extending Carry Handle
- Convenient carrying strap
- Equalizer mode selection
- X-Bass button for more powerful bass
- Perfect for the Backyard or Park Visits - Instant Party Anytime, Anywhere!

### What's in the Box:

- Speaker System
- Wired Microphone
- Remote Control
- Power Adapter
- Carrying Strap

### Technical Specs:

- Max Power Output: 500 Watts MAX
- Sound System: 6.5" Subwoofer x 2 + 1.5" Tweeter
- Digital Media File Compatibility: MP3, WMA (USB 2.0)
- Maximum USB Flash Drive Support: Up to 32GB
- Housing Construction Material: Engineered PP + Iron Net
- Built-in Rechargeable Battery: Li-ion 3600mAh, 7.4V
- Battery Operated Remote Control:  
**1 Piece Button Cell Battery CR-2025 (Included)**
- Power Supply: 110/240V (9V Power Adapter)
- Dimensions (L x W x H): 18.5" x 8.9" x 9.6" -inches

# WARNING

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

(1) This device may not cause interference.

(2) This device must accept any interference, including interference that may cause undesired operation of the device.

RF exposure statement:

The equipment complies with IC Radiation exposure limit set forth for uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

L'appareil ne doit pas produire de brouillage;

L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Déclaration d'exposition RF:

L'équipement est conforme à la limite d'exposition aux radiations de la IC établie pour un environnement non contrôlé. Cet équipement doit être installé et utilisé avec une distance minimale de 20 cm entre le radiateur et votre corps.

**This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation**

**NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.**

**If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:**

- Reorient or relocate the receiving antenna.**
- Increase the separation between the equipment and receiver.**
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.**
- Consult the dealer or an experienced radio/TV technician for help.**

**Warning: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment**

**The device has been evaluated to meet general RF exposure requirements, the device can be used in portable exposure condition with restriction**
