

## EXO S.A.

Date: 10/30/2018

To: Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD

To Whom It May Concern:

We, **EXO S.A.**, state that our device, **FCC ID: 2AQ8R-EXOWAVE**, has a non-detachable battery, the label is visible to the users as they purchase the products and install TF card or SIM cards. The back cover can be moved away, there is not enough space to print FCC ID label in surface of the product, so the label has to be placed on the battery surface.

Sincerely,

Signature
