Operating Instruction of OraSaifu Cold Wallet

• STEP 1: Language Setting:

Please set the language for the first time use of the device Select the language icon and click the prompt button to confirm the language Note: Language settings can be freely switched in system settings

• STEP 2: Activation

For the first use of OraSaifu Select the "Create" To recover data backed up by old devices Select the "Recover "

• STEP 3: Transcribe Recovery Word

SOITY	because	¹ produce	slat
> matrix	* lunar	7 scorpton	⁸ clsease
cerbon	10 comic	spider	^{1,1} voice
	请按顺序抄	写助记词,请勿	的相關存放
		下一步	

When creating a "New Wallet",

you need to copy mnemonic words on the security card.

• STEP 4: Confirm mnemonic words

suny	because	100	tune str	ah	
carbon	voice	lunar	matrix	scorpion	onmic
spider	disease				

Once the transcription of mnemonic words is completed, the mnemonic words need to be verified Please select mnemonic words according to the prompt in the previous transcription order

tr	nber. tor	werten			
frat	dwarf	toza	useful	wrip	galaxy
valle	r have	estate	faise		

Check the security card when an error occurs Click on the wrong word and re-select it

• STEP 5: Set Password

After mnemonic word verification is completed, please set 6-20 characters as the device password

Confirm the security password again

I Note: The security password can be changed in the system settings afterward.

备份到BiPal STEP 6: Back up to BiPal

- \searrow After setting the password, you need to back up the device information to BiPal
 - \smallsetminus Place BiPal backup information according to the location prompt

- 、Waiting for device synchronization information
- \smallsetminus As shown in the figure, synchronization is completed
 - 、 Click "Done" to finish activation

STEP 7: Activation Complete

When the list shown in the figure appears, the activation of the device is successful

• STEP 8: Synchronize Orawallet APP

Click on the menu button " ... " at the lower right corner and select " Synchronize"

Use the Companion APP to scan the QR code and synchronize the wallet

Operate the Orawallet APP Click "Link"
