

## Safety Instructions

Read and follow all the safety instructions:

- The adapter is not waterproof. Exercise caution when using the adapter outdoors.
- When installing the bulb string lights, ensure the waterproof cap is firmly screwed onto the connecting cable.

## Introduction

Thank you for choosing the Govee Lynx LED Bulb String Lights. This product has an IP65 waterproof rating, making them ideal for outdoor use. Connect to the Govee Home app via Bluetooth to enjoy wireless control, brightness adjustment, and a timer function.

## What You Get

Bulb String Lights	2
Adapter & Control Box	1
Manual	1
Service Card	1

## Control String Lights in Series

Connect the string lights as indicated in the picture

**Notice:** Only 2 string lights can be connected in a series.

## Control String Lights in Series

Hang the light bulbs onto the rope using the hook.

**Notice:**

When installing the lights, do not leave more than 2 bulbs off the rope as it may affect stability.

## Pairing Your Device with the Govee Home App

**What You Need:**

- A smartphone or tablet running iOS 8.0 (or above) or Android 4.3 (or above).
- 1 Download the Govee Home app from the App Store (iOS devices) or Google Play (Android devices).
  - 2 Turn on the Bluetooth on your smartphone.
  - 3 Open the app, tap the "+" icon in the top right corner and search for "H7011".
  - 4 Tap the device icon and follow the on-screen instructions to complete pairing.

## FCC and ISED Canada Statement

This device complies with Part 15 of the FCC Rules and Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:  
(1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.  
Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :  
(1) l'appareil ne doit pas produire de brouillage, et  
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
