

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

**Conducted Emission
Test Setup**

**Radiation Emission Test
Setup (Below 30MHz)**

<p>Radiation Emission Test Setup (30MHz to 1GHz)</p>	<p>A photograph of a radiation emission test chamber. The walls are covered with white, square-shaped pyramidal absorbers. A white table is positioned in the center, with a piece of equipment on top. To the right, there is a metal structure with a ladder-like frame. The floor is concrete with yellow safety markings.</p>
<p>Radiation Emission Test Setup (1GHz to 18GHz)</p>	<p>A photograph of a radiation emission test chamber. The walls are covered with white, square-shaped pyramidal absorbers. A white table is positioned in the center, with a piece of equipment on top. To the right, there is a red antenna or probe. The floor is concrete with yellow safety markings. In the foreground, there is a row of dark blue, pointed absorbers.</p>

Radiation Emission Test Setup (Above 18GHz)
