Product Overview

Microphone
Transmitter
USB-C Connector
3.5mm Audio Connector

Connection

Desktop PC, PS4/PS5, SWITCH, Laptop, Game Controller, SWITCH

Device Pairing

Bluetooth Pairing
Resetting
Reconnecting

Mode Selection for Mic

Resetting

Indicator

Name	Indicator
Power on	Blue indicator on Tx
Pairing	Blue and red indicator flashes alternately
Pairing successful	Blue indicator flashes once every 10s
Reconnecting	Blue indicator flashes every 10s
Reconnected from reconnecting	Blue indicator on Tx
100% mode	Red indicator
Bluetooth	Blue indicator on Tx

Audio Codecs

LED	Color
Blue	SBC
Yellow	aptX
Green	aptX AD

Specifications

Model: CM668
Bluetooth Version: 5.3
Frequency Band: 2.4GHz ISM Band
Max. RF Output Power: 10dBm (EIRP)
Transmission Distance: 10m (Free Space, No Obstruction)
Coding: SBC/aptX/aptX AD
Power Supply: Port 1 (USB-C)
Compatible System: Windows/Android/iOS/Android TV/Smart TV
*The data are measured by UGREEN lab but may vary based on specific circumstances.

WARNING

- Do not disassemble, impact, crush, or expose to fire.
- Do not use the transmitter in a hazardous environment.
- Do not expose the transmitter to excessive temperature.

FCC Statement

FCC
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Radiation Exposure Statement
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

FCC NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. There are two conditions that must be met in order to comply with these limits: (1) The device must not cause interference, and (2) the device must accept any interference received, including interference that may cause undesired operation of the device.

IC Statement
This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following conditions: (1) This device may not cause interference; (2) this device must accept any interference, including interference that may cause undesired operation of the device.

IC Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. There are two conditions that must be met in order to comply with these limits: (1) The device must not cause interference, and (2) the device must accept any interference received, including interference that may cause undesired operation of the device.

CAUTION: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. There are two conditions that must be met in order to comply with these limits: (1) The device must not cause interference, and (2) the device must accept any interference received, including interference that may cause undesired operation of the device.

CAUTION: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. There are two conditions that must be met in order to comply with these limits: (1) The device must not cause interference, and (2) the device must accept any interference received, including interference that may cause undesired operation of the device.

Important WEEE Information

WEEE
This symbol on the product(s) and/or accompanying documents indicates that, under the new Directive 2012/19/EU on waste electrical and electronic equipment (WEEE), product(s) used electrical and electronic equipment (WEEE) should not be mixed with general household waste. For proper treatment, recovery and recycling, please take the product(s) to designated collection points where it will be accepted free of charge.

Disposing of this product correctly will help save valuable resources and prevent any potential negative effects on human health and the environment, which could otherwise arise from inappropriate waste handling.

Please contact your local authority for further details of your nearest designated collection point.

Responsible for the disposal of this product: UGREEN Group Limited. If you wish to donate electrical and electronic equipment (WEEE), please contact your dealer or supplier for further information. For disposal in countries outside of the European Union, please refer to the local regulations.

This symbol is only valid in the European Union (EU). If you wish to dispose of this product, please contact your local authorities or dealer and ask for the correct method of disposal.

EU Declaration of Conformity

CE
Hereby, UGREEN Group Limited declares that the product is in compliance with Directive 2014/52/EU & 2011/65/EU in regard to electrical and electronic equipment (WEEE), product(s) used electrical and electronic equipment (WEEE) should not be mixed with general household waste. For proper treatment, recovery and recycling, please take the product(s) to designated collection points where it will be accepted free of charge.
