Product Function

Function	Notification	Action
Sensing urine and feces	Clean / Urine / Feces / Abnormality	Notification sent to the App connected via Bluetooth

User's Guide

1 Fully charge your battery before using the Sensor for the first time.
2 Turn on the power switch on the side of the Sensor, and make sure the blue LED light on the front is blinking.
3 Wait for the sensor to connect to your smartphone or monetary hub. LED is off when connected.
4 Make sure the MONIT logo on the sensor faces inside the diaper cradle. Swivel the sensor slightly from side to side to attach it more strongly.
5 When the urine is detected in the diaper, the alarm is transmitted to the user's smartphone, Please check the diaper condition.

Getting Started

1. Search for "MONIT" on Google Play Store or iOS App Store and download the application.
2. Turn on the Bluetooth feature on your Smart Phone.
3. Turn on the power switch on the side of the Sensor, and make sure the blue LED light on the front is blinking.
4. Press "Register Device" and select "Sensor" on your app.
5. Connect to the Sensor by pressing the "Start Connection" button on the app.
6. The LED light on the Sensor will turn off when the connection is complete.
7. Register your baby's information. The accuracy of the sensor may depend on the information you provide.
8. After you finish registering your baby's information you will see the registration complete page.

Size and Specification

Power Supply	DC 5V 150mA (Micro USB)
Communication	Bluetooth 5.0
Battery	Li - Poly DC 3.7V 170mAh
Charging Time	3hours
Operating Temperature	-10 ~ 50 °C
Support Platform	Android 5.0 & iOS 9.0 or above
Size	D40.6 x 10.3 (mm)
Weight	12 g
Recommended age of use	0 to 3 years

Safety Precautions

1. Do not attempt to disassemble or repair the product.
2. Keep the product away from humidity and dust.
3. Prevent falls, water emersion and shock.
4. Do not place or use the product in direct sunlight or high temperatures.
5. Be careful that infants do not swallow.

Product Certifications

· Product Name : MONIT Diaper Sensor
· Manufacturer : MONIT Corp.
· Country of Origin : Republic of Korea
· Manufacturing Date : 2018-05
· This device cannot be used in human safety related services due to its risk of interference
· This product complies with household use (rated B) level electromagnetic wave limits and it may be used in all regions.

MFD BY MONIT. Corp
Model : SBM - S100U
Input : 5V ⎓ / 150mA
KC ID : R-CMM-mNT-SBM-S100K
FCC ID : 2AQNN-SBM-S100U
Address : 5, Nambusunhwan-ro 289-gil, Seocho-gu, Seoul, Korea
