CARE AND SAFETY

- DO NOT USE IN MICROWAVE OVEN.
- HAND WASH ONLY with warm soapy water.
 Do not submerge. Do not wash in dishwasher.
- DO NOT USE WHILE DRIVING. Obey all regulations that restrict the use of mobile devices while operating a motor vehicle.
- Use only AAA alkaline batteries.
- Lids are spill and splash resistant; they are not designed to be leak-proof.
- Exercise caution when drinking hot liquids from this or any other beverage container.
- When filling with hot liquids, please allow beverage to cool to a drinkable temperature before drinking.
- When filled with hot liquids, do not overfill and keep out of reach of children. Hot liquids can scald.
- Always check to make sure lid is secure before drinking.
