Dear Sir or Madam,

PervasID Limited ("the applicant") certifies that the equipment for which authorization is sought is only sold to professional installers. These professional installers are trained by PervasID to install the Reader in accordance with the installation guide using approved external antennas and appropriate coaxial cables. They are trained to use the Reader Control Software and the Antenna Cable Calculator to adjust the RF output power to a level which is appropriate to each specific installation such that the maximum permitted EIRP is not exceeded.

The Installation Guide, Reader Control Software and Antenna Cable Calculator are confidential property of PervasID and are only released to trained professional installers.

If you have any questions, please contact us.

Sincerely,

A handwritten signature in black ink, appearing to be 'S. Sithamparanathan'.
