| Front |  A front-facing photograph of the white HTC Vive HMD. The device is centered in the frame against a dark brown background. It features a white plastic front panel with a silver-colored oval frame. Inside this frame are two circular lenses and the HTC Vive logo (a triangle with a circle inside) and the word "VIVE" printed below it. Above the frame is a speaker grille with diagonal slats. The top of the device has a white adjustment knob. The bottom of the device is slightly recessed. |
| Back |  A back-facing photograph of the white HTC Vive HMD. The device is shown from a rear perspective, revealing the interior of the headset. The white plastic shell is visible, with a small HTC logo on the top. The interior shows two lenses and a black head strap. The bottom of the device has a white chin rest. The background is dark brown. |
