

Differences Declaration

To whom may concern,

We company **Globe Electric Company Inc.**

Here by declares:

The product model **34925,34873,34924,34358** is the same RF electronic schematic with **34918**, which tested in Hunan Ecloud Testing Technology Co., Ltd., The ONLY difference between them is in appearance (Between different models, the materials used for the tube and the wick are different, the size of the tube is different, and some non-RF circuits are different), which does not affect any RF parameters.

Sincerely yours,
