

Globe Electric Company Inc.

DECLARATION OF SIMILARITY

Dear Sir or Madam

We Globe Electric Company Inc. for Smart Dimmer Switch hereby declare that products: Smart Dimmer Switch

Differences description:

All Model		
Test Model	Series Model	Difference description
50199	50322	The difference is that the power supply part is different, the RF part is the same, and it does not affect any RF parameters. Detailed: 50199 is a single switch, 50322 is a double switch, only the circuit difference at the switching power supply
