Re: FCC ID: 2AQVAEHRTMODULE

To Whom It May Concern:

The following application is submitted on behalf of our client, Kimberly Clark, for evaluation of their model EHRTMODULE V1 for a new certification under FCC Part 15.247.

Device is a BLE module limited to specific host devices.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
