Included:

1. Bluetooth Headphone
2. Charging Cable
3. Braided headphone audio cable

Overview:

1. Power / Phone / Play/ Pause button
2. >>/V+ button : next song and volume up
3. <</V- button: previous song and volume down
4. Built-in microphone
5. LED indicator
6. USB charging port
7. 3.5mm headphone jack

Battery Charge:

This Bluetooth headset is powered by rechargeable Li-ion battery. Please use the accessory USB cable to recharge the battery.

1. Insert USB charging cable into a suitable USB port.
2. Connect charging cable with the headset USB port (6).
3. Indicator LED turns Red to show battery is charging.
4. Indicator LED turns off when battery is fully charged.
5. It takes about 4 hours to fully charge the battery.

How to use this headset:

A. Power on / off

Function	Operation	Indicator LED
Power On	Press and hold the power button for 3 seconds	Blue LED flashes slowly
Power Off	Press and hold the power button for 3 seconds	RED LED flashes then goes out

- B. Pairing the headset with Bluetooth devices
 1. To enter pairing mode, press the power button for 3 seconds until red and blue LED blink alternatively, now the headset is in pairing mode.
 2. Pairing the headset with Bluetooth mobile phone; Bluetooth name: ANKO Headphone Black
- C. Phone calls
 1. Please press power button to pick up/hanging up phone calls.
 2. Double press the power button to call the previous number dialed.

D. Playing music
When the headset connects with the mobile phone via Bluetooth you can enjoy music through the headset wirelessly, alternatively you can connect the braided headphone cable and listen to music when the cable is connected directly to your music device via its headphone input. This function can still be used when the headphones battery is flat.

Function	Operation
Pause	Short press power
Play	Short press power
Next Song	Short press ">>" button
Previous Song	Short press "<<" button
Volume Up	Long press "V+" button – when the volume is adjusted to maximum you will hear a voice indication tone
Volume Down	Long press "V-" button

CAUTION
 > Danger of explosion if battery is incorrectly replaced.
 > Replace only with same or equivalent type.
 > Attention should be drawn to the environmental aspect of battery disposal.
 > The use of apparatus in moderate climates.
 > The batteries shall not be exposed to excessive heat such as sunshine, fire or the like.
