## ATTESTATION STATEMENT

### Declaration on Electrically Identical Models

TO WHOM IT MAY CONCERN

We, Hamilton Bonaduz AG, declare on our sole responsibility that the model:  
VisiPro DO (HVIN: 243667) with IC Certification Number: 24225-VISIDO  
FCC ID: 2AQYJVISIDO

is identical in hardware and RF-relevant firmware to the model: VisiTrace DO (HVIN:  
24356X)

The only differences between the models are:

- Sensor firmware (for oxygen-measurement, no relevance for RF function)
- *oDO cap H0*, *oDO cap H2* or *oDO cap L0* (metal cap on front with oxygen-sensitive element, not RF relevant)

We attest that above changing are not relevant for any RF behaviour subject to regulatory items.

Therefore, CTC advanced GmbH Test Report 1-6563/18-01-04 remains applicable.

If you have any questions, please feel free to contact us at the address shown below

Sincerely,

Name: Petra Netter
