

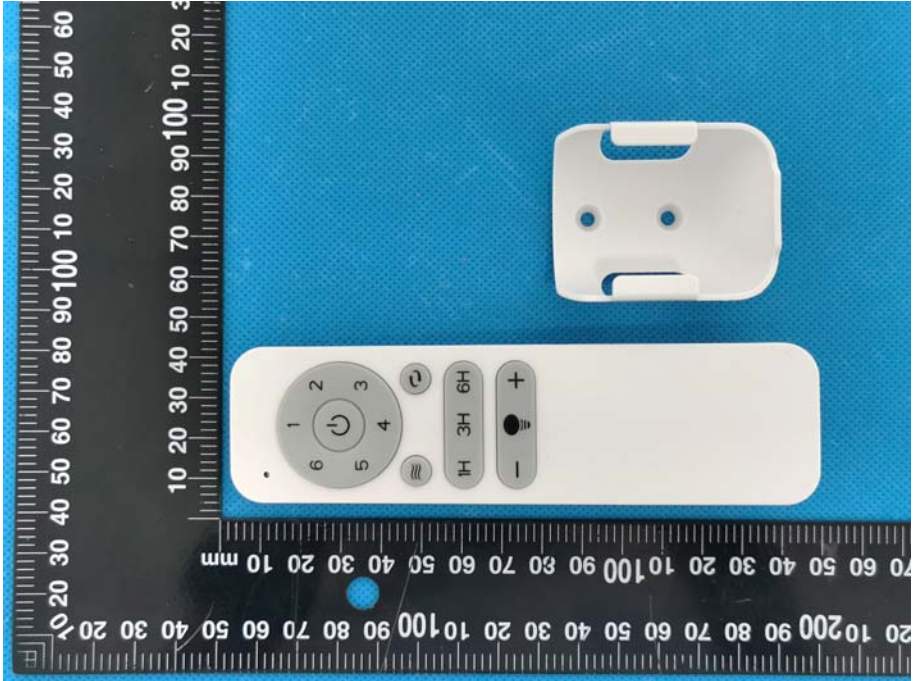

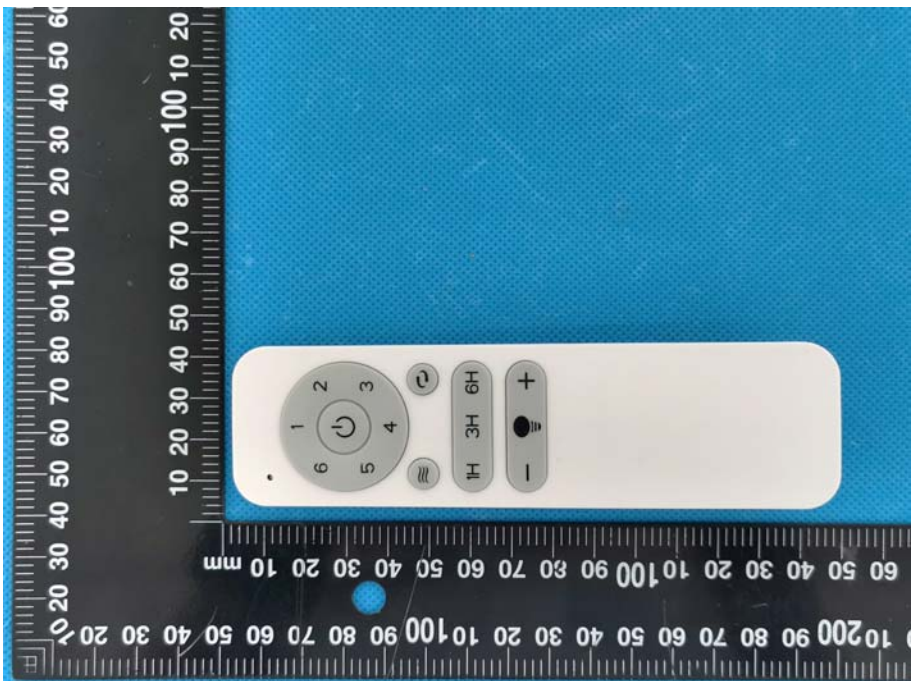

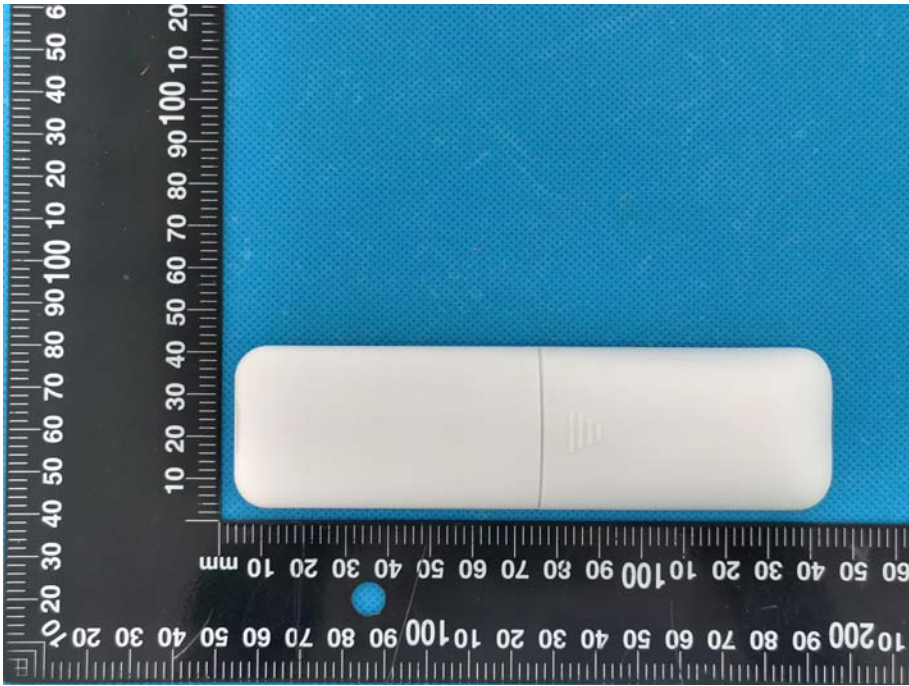

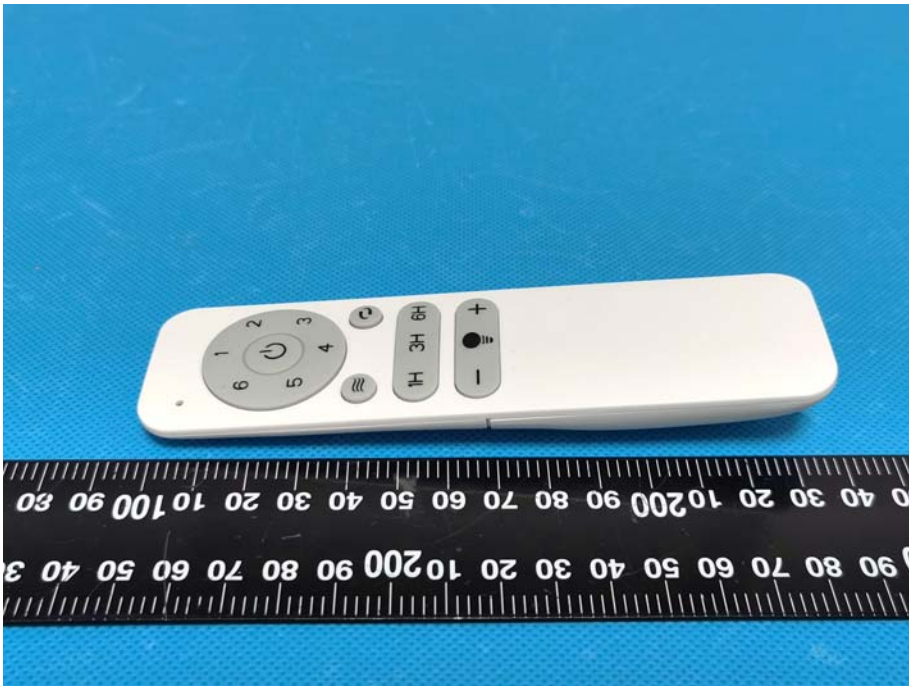

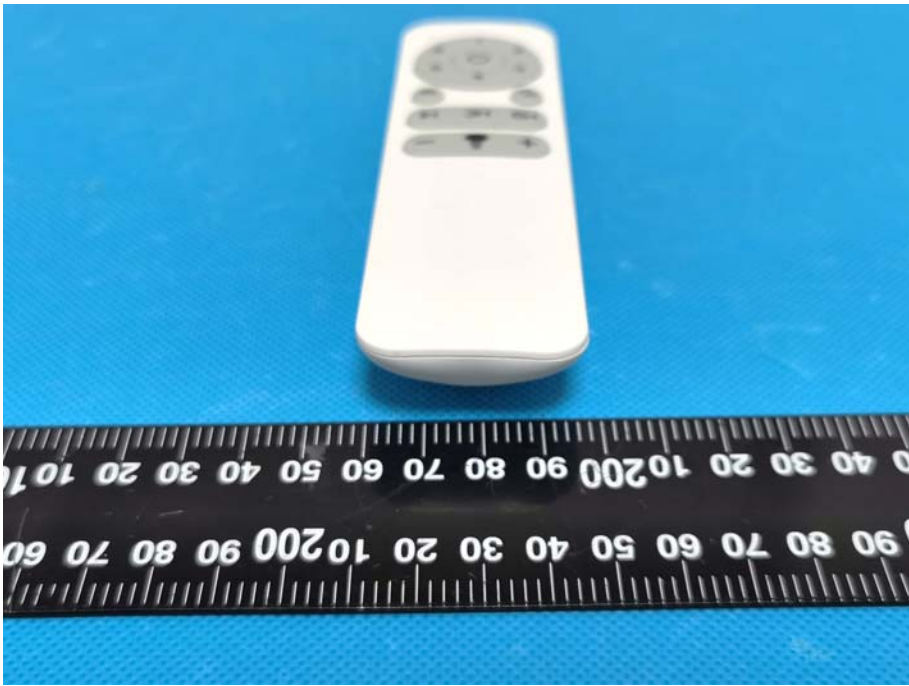

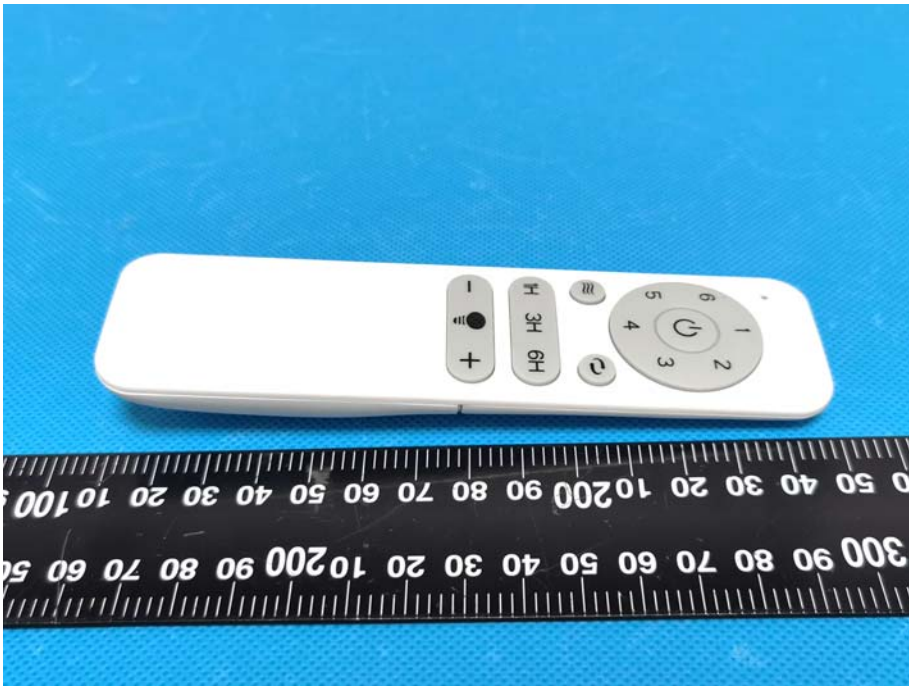

## EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p><b>EUT View 1</b></p>	 A photograph showing two white electronic components. The primary component is a rectangular device with a control panel on the left side. The panel includes a circular dial with numbers 1-6, a power button, and several function buttons labeled 'H', '3H', '6H', '+', and '-'. To the right of this device is a smaller, separate white component with two blue circular features. Both are placed on a blue textured surface next to a black ruler with white markings for scale.
<p><b>EUT View 2</b></p>	 A photograph of the same white electronic device from a different perspective, focusing on the control panel. The panel features a circular dial with numbers 1-6, a power button, and function buttons labeled 'H', '3H', '6H', '+', and '-'. The device is placed on a blue textured surface next to a black ruler with white markings for scale.

<p><b>EUT View 3</b></p>	
<p><b>EUT View 4</b></p>	

<p><b>EUT View 5</b></p>	 A white remote control is shown vertically on a blue textured surface. Below the remote is a black ruler with white markings, showing centimeter and millimeter scales. The remote has a circular button at the top with a power symbol, followed by several other buttons.
<p><b>EUT View 6</b></p>	 A white remote control is shown horizontally on a blue textured surface. Below the remote is a black ruler with white markings, showing centimeter and millimeter scales. The remote features a circular button with a power symbol and numbers 1-6, a directional pad, and other function buttons.
