

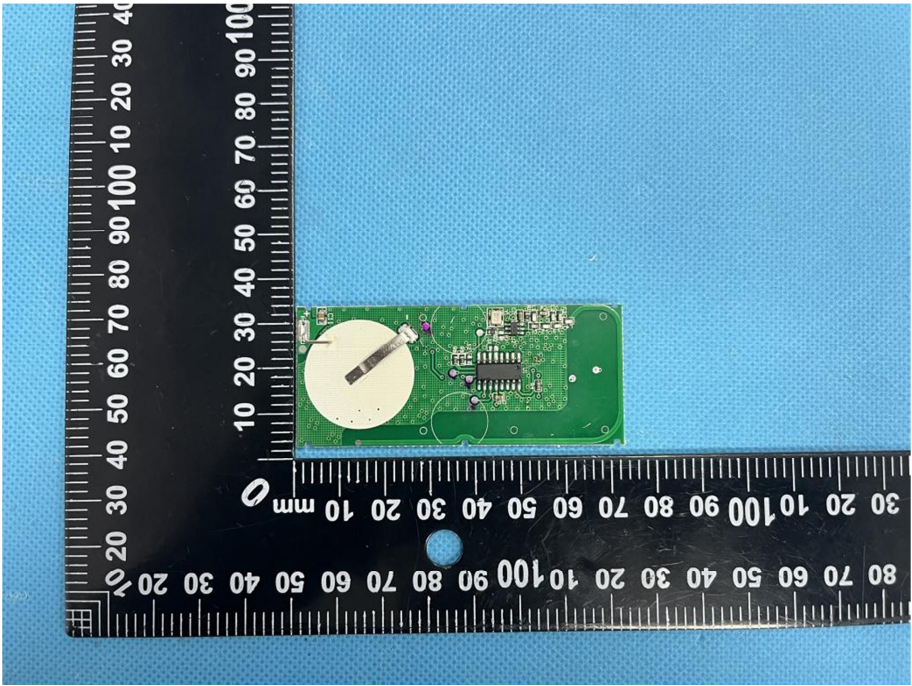

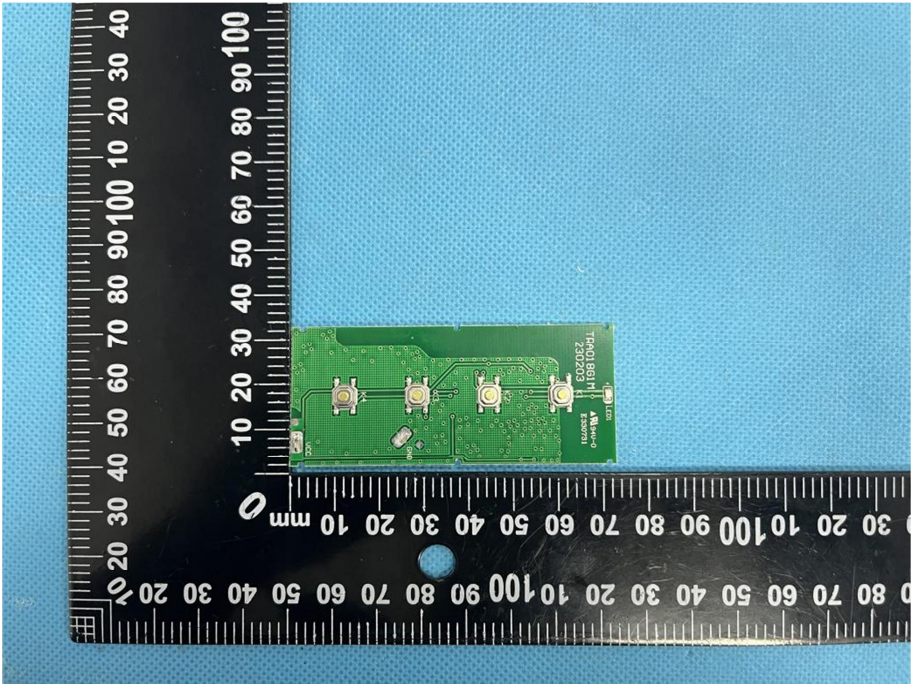

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>Solder Board-Component View 1</p>	 <p>A photograph showing the top view of a green printed circuit board (PCB) component. The board is rectangular and features a large circular silver pad on the left side, a central integrated circuit (IC) chip, and various other surface components. A black L-shaped ruler is placed next to the board for scale, with markings in millimeters. The background is a blue textured surface.</p>
<p>Solder Board-Component View 2</p>	 <p>A photograph showing the bottom view of the same green PCB component. The board is populated with several gold-colored surface-mount components, likely capacitors or resistors, arranged in a row. A black L-shaped ruler is placed next to the board for scale, with markings in millimeters. The background is a blue textured surface.</p>
