1 PRODUCT LABEL

This document shows the position of the product label, and its content, on the Seco Idem reader 1.

1.1 PRODUCT LABEL CONTENT

The product label of the Seco Idem Reader 1 contains information about the serial number, FCC ID and the IC ID. A close-up of the label artwork can be found below in figure 1. The actual label on the unit has a black background with white text as can be seen in figure 2.

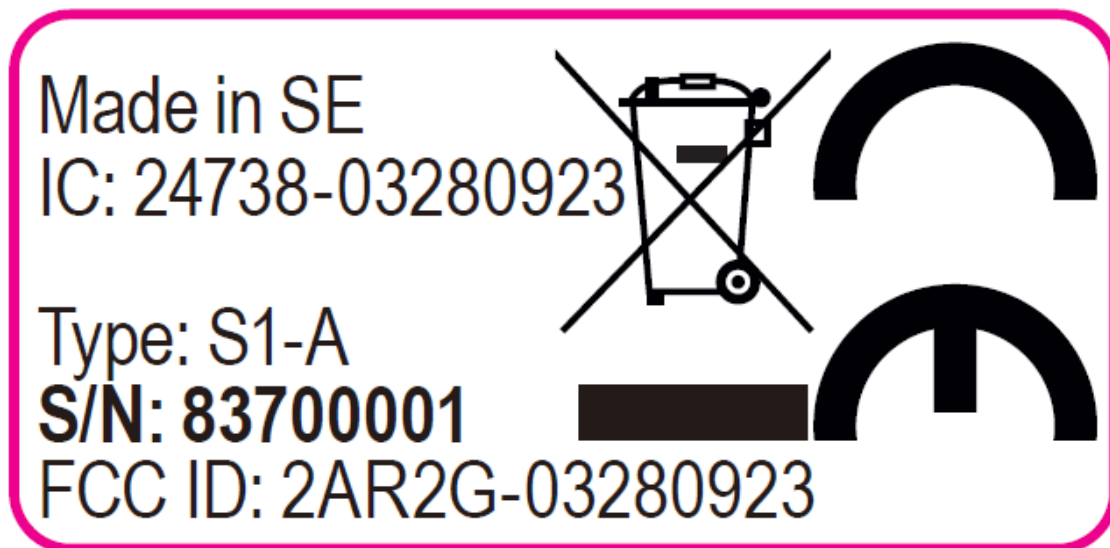

Figure 1: The product label art.
