Letter from Manufacturer Authorizing Change in ID

silex technology, Inc.

Tuesday, September 24, 2019

This is to confirm that silex technology, Inc. authorizes change of ID for Smiths Medical.

For ISED:

Silex authorizes for the existing certified product to be listed under Smiths Medical. Silex also authorizes ISED officials to use documents it has on file from the existing certification.

Product identification details from existing certification:

1. ISED Certification Number: 4908A-SDMAC
2. PMN: SX-SDMAC
3. HVIN: SX-SDMAC
4. Date of Grant: 11/16/2016

Product identification details from new certification:

1. ISED Certification Number: 24853-CSCM6000
2. PMN: CADD-Solis 2130 Communication Module
3. HVIN: 15019517171969

For FCC:

Silex authorizes Smiths Medical to file the change in ID.

1. Original FCC ID: N6C-SDMAC
2. The date of the original grant of equipment authorization: 11/08/2016
3. The new FCC ID: 2AR2I-CSCM6000

Sincerely,

Toshiro Kometani

General Manager
