

OSLO ENERGY

LA116--User Manual

COMPONENTS

1. Portable speaker with wireless charger
2. USB cable with Type-C interface
3. User Manual

SPECIFICATIONS:

Case material: ABS+Fabric

Net Weight: 292g

Dimension: 120 Dia x 25H mm

Bluetooth part:

1. Bluetooth version: 4.2
2. Power Supplier: DC 5V
3. Rated Power: 3 W (1KHz THD10%)
4. Signal & noise ratio: ≥ 85 dB
5. Frequency :160Hz-18KHz
6. Impedance: 4 OHM 5W
7. Speaker Unit:: 36MM

Wireless charge part:

1. Use: Mobile Phone
2. Wireless Power:10W
3. Transmit power:10w/7.5w/5w
4. Charging efficiency: MAX 80%
5. Input : DC 5V/9V/2A
6. Output : 5V/1A or 9V/1.1A
7. Transmission distance:3-6mm
8. Working Frequency:110-205KHz
9. Coil: Single Coil
10. Port: Type C

WORKING CONDITION WITH LED INDICATOR:

| | OPERATE MODE | BLUETOOTH LIGHT |
|---|--|---|
| 1 | Power supply | Blue light on |
| 2 | Power on (Press the button for 3 seconds) | Blue light flashing quickly with du du du sound |
| 3 | Power off (Press the button for 3 seconds) | Blue light quickly flashing with du du du sound |
| 4 | Bluetooth connected with device | Blue light flashing slowly |
| | OPERATE MODE | WIRELESS CHARGE |
| 1 | Power supply | Green light breathing 2 times then go out |
| 2 | Wait for working | Green light go out |
| 3 | Charging for mobile | Green light on 10 seconds then go out |
| 4 | FOD condition | Green light breathing always to remind you |
| 5 | In Full charging | Green light on |

SAFETY CAUTIONS:

1. Please read the instructions carefully before using.
2. Advise to use QC2.0 or QC3.0 adaptor or power supply output no less than 18W
3. Avoid contact with liquids; keep away from water and high moisture conditions.
4. Protect the speaker from near heat sources such as radiators, heaters, air ducts, sunlight.
5. Prevent the speaker from naked flame source such as candles on the Mini Speaker.
6. No hitting the product severely, or insert any conductive objects into the speaker, or charging jack.
7. Do not put metal(like coil) on the surface of charging area.
8. Do not repair the speaker by yourself; seek for professional service.
9. Avoid getting shocked, do not touch product with wet hands.
10. Keep out of reach of children.

TROUBLESHOOTING

✧ **No Sound:**

1. Charging cable is not fully plugged into the Type-C port on the device.
2. Bluetooth disconnected
3. Source of audio is not working.
4. The speaker doesn't works.

✧ **No charging:**

1. Power supply input is not enough.

2. Type-C charging cable is not fully plugged into the charging port.
3. Charging cable is damaged.
4. Adaptor is damaged
5. Metal on the surface of charge area.

✧ **No LED indication:**

1. LED indication failure.
2. Type-C charging cable is not fully plugged into the charging port.

USA-FCC STATEMENT

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.

Notice:

Any changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that

interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.

The antenna(s) used for this transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

This device complies with FCC radiation exposure limits set forth for an uncontrolled environment. In order to avoid the possibility of exceeding the FCC radio frequency exposure limits, human proximity to the antenna shall not be less than 20cm (8inches) during normal operation.

CANADIAN COMPLIANCE STATEMENT

This device complies with Industry Canada license-exempt RSSs. Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

This Class B digital apparatus complies with Canadian ICES-003.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux

appareils radio exempts de licence.

L'exploitation est autorisée aux deux conditions suivantes :

(1) l'appareil ne doit pas produire de brouillage, et

(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi,

même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment. The antenna should be installed and operated with minimum distance of 20 cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. Cet appareil est conforme aux limites d'exposition aux rayonnements de la IC pour un environnement non contrôlé. L'antenne doit être installée de façon à garder une distance minimale de 20 centimètres entre la source de rayonnements et votre corps. L'émetteur ne doit pas être colocalisé ni fonctionner conjointement avec à autre antenne ou autre émetteur.
