Subject:

Declaration Letter for RF power setting, FCC ID: 2ARFT-SDBA1

To whomsoever it may Concern:

WINSCEND TECH LIMITED declares that the Bluetooth Dartboard with FCC ID 2ARFT-SDBA1 incorporates the Bluetooth Module which has a rated output power of 6 dBm. However The firmware on our product Bluetooth Dartboard with FCC ID 2ARFT-SDBA1 limits the conducted output power of the Bluetooth Module to 0dBm. This power setting is not user accessible and the data rate is supported 1Mbps only.

Best Regards,
