Regarding: schematic diagram of NVIDIA Jetson TX2 Developer Kit Board

We, Oxford Nanopore Technologies Limited, hereby verify and declare that

Jetson TX2 Developer Kit Board installed on our host product remains the same as factory setting in hardware and software, no any change is made to it by us.

Furthermore, the board has already authorized under FCC ID: VOB-P3310 dated on 01/19/2017.

Therefore, we propose considering above explanation as valid justification to obtain a special waiver of providing schematic diagram of NVIDIA Jetson TX2 Developer Kit Board in FCC ID 2ARGS-MNT-001 Certification application.

Respectfully,
