# FCC Class II Permissive Change Request Letter

**FCC ID : 2ARHH-KCTM-2000**

Original Grant Date: 06/23/2020

To Whom It May Concern:

We are submitting an application for a class II permissive change to the FCC approval.

We changed the following points from the original model.

- =====
1. Added the capacitor (C141) due to reduce the power noise.
  2. Changed the Inductor (L11) due to reduce the RF harmonic. There is no change RF output power.  
(The location is a little changed because inductor type is changed)

The difference with original is below:

The difference with KCTM-2000			
	Change	Delete	Add
1			C141(Capacitor)
2	L11 (inductor)		
3			

Refer to the Schematics.

Should you have any questions, please contact us.

Sincerely,

**HYUN TAE JIN**

Manager
