10. Hands-free: Support
11. Product Size: 200 mm x 85 mm x 48 mm

**FREQUENTLY ASKED QUESTIONS**

Q: The speaker cannot connect the once-paired cellphone.  
A: First, remove the speaker's pairing name from the cellphone's Bluetooth® list and then turn off speaker. Turn speaker on and follow the steps to pair cellphone.

Q: What if there is noise or discontinuous sound when playing?  
A: The speaker can be normally used within 10m under no obstruction environment. If it is over 10m or with obstruction, there might be noise or discontinuous sound.

Q: Why will the speaker shut down automatically when it is working?  
A: When there is no Bluetooth® pairing or AUX IN within 10 minutes, the speaker will shut down automatically to reduce power consumption.

Q: The speaker cannot connect the once-paired cellphone.  
A: First, remove the speaker's pairing name from the cellphone's Bluetooth® list and then short press the Bluetooth Disconnection Button to restart pairing mode.

Q: What is the working sequence of the speaker?  
A: The priority is AUX IN input, phone call in Bluetooth® mode and then playing music Bluetooth® mode.

Q: The speaker cannot be started up in a normal situation.  
A: Please plug in the charger and try in a few minutes.

\* This speaker supports mobile phones and tablet PCs etc. Here this User Manual is illustrated based on mobile phones.

**WARNINGS, SAFETY & COMPLIANCE**

READ THE FOLLOWING RECOMMENDATIONS BEFORE USING THE Bluetooth® SPEAKER.

1. Keep product dry and don't take it to damp places to avoid the product's internal circuit being affected.
2. Keep the product away from direct sunlight or hot places. High temperatures will shorten the life of electronic devices, destroy the battery or distort certain plastic parts.
3. Don't expose the product to extremely cold area. It may damage the internal circuit board.
4. Don't try to disassemble the product as it may get damaged if you are not a professional. The internal circuit might get damaged.
5. Don't use intensive chemical products or detergent to clean the product.
6. Don't scratch the surface with sharp tips.

**FCC STATEMENT**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference, and  
(2) this device must accept any interference received, including interference that may cause undesired operation.  
Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance with the FCC Rules could void the user's authority to operate the equipment.  
NOTE: This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:  
• Reorient or relocate the receiving antenna.  
• Increase the separation between the equipment and receiver.  
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.  
• Consult the dealer or an experienced technician for help.  
• The cable matched with this device is only for the use of charging.
