

## Differences declaration

Our company:

Suzhou Etag-Technology Corporation

Address: Room 236, 2/F Ming De Building, No.166 Ren ai Road, Suzhou  
Industrial Park

applies for FCC ID certification(Product Name: Etag ,

FCC ID: 2ARJ5-ET0213),

application number UNIA2018102330FR-01

This product has a series of models. The difference between the models is that the board and key components of each product are the same. Only the shape/size and appearance of the shell will be a little different, but it will not affect the emc and other properties of the product.
