SMS1  
Smart Motion Sensor  
User Manual

Works with Apple HomeKit

### QUICK START GUIDE

1. Insert the included 2 pcs AAA alkaline batteries, then close the cover.
2. Turn on the Home App of the latest iOS system; or download the 'Onvis Home' App from the iOS App Store and open it. Sign up and log in with a Onvis account or skip to use HomeKit directly.
3. Make sure the Bluetooth of your iOS device is on.
4. Tap the 'Add accessory' button and scan the QR code on the SMS1 to add the accessory to your HomeKit network.
5. Name the SMS1 smart motion sensor, and assign it to your home and room.
6. Set up a HomeKit hub (iPad, Apple TV, HomePod) to enable remote control and notification.
7. Sensor records can be checked with Onvis Home App.
8. For troubleshooting, visit: [www.onvistech.com/product/FAQ](http://www.onvistech.com/product/FAQ)

**Note:** When QR code scanning is NOT applicable, you may manually input the SETUP code printed on the QR code label. Example:

QR-base code

Onvis QR code

### Specification

Brand: Onvis  
Mold: SMS1  
Input: 3V = (Power by 2xAAA battery)  
Import by: Shenzhen Neoteric Technology Development Co., Ltd  
Importer address: Rm 201, No.1 bldg, Futian interational e-commerce industrial park, No.105, Mei Hua rd, Futian, Shenzhen  
Design and manufacture by: Shenzhen ChampOn Technology Co., Ltd  
Manufacturer address: Rm 628, Yi Ben bldg, No. 1063 Cha Guang rd, Nanshan, Shenzhen

Power by: Alkaline battery 2 x AAA  
Motion detection: 7 meters, 100 °  
Operating temperature: -10 C ~ 45 C  
Operating rang: -10 C ~ 45 C, 5%-95% Relative Humidity  
Accuracy: Typical±0.3 C., Typical±5% Relative Humidity  
Wireless connection: Bluetooth Low Energy  
For indoor use only  
Dimension: 64\*50\*37mm

### Tips :

1. Keep the ChampOn Motion Sensor in a clean, dry, indoor environment.
2. Do not clean with liquid.
3. Keep the product away from children under 3 years old.
4. Make sure the product is adequately ventilated and securely positioned. Do not place it near sources of heat(eg: direct sunlight, radiators etc.).
5. This product is for indoor use only. Do not use in wet locations or directly exposed to water.
6. This product is not a toy and is not designed or intended for use of children.
7. This product contains no user-serviceable or exchangeable parts.
8. Do not attempt to repair the product.

### Cleaning and maintenance

- The product should only be cleaned with a soft dry cloth, to avoid scratching.
- Do not use detergent to clean the device.

5 ➡

### Warnings and cautions

- Keep away from liquid and humidity.
- Keep batteries out of reach of children.
- Remove batteries if they run out of power, or if it is not intended to be used for a long period.
- If one battery is depleted, replace both batteries.
- If you notice any liquid coming out of any of the batteries, make sure not to let it come into contact with your skin or clothing as this liquid is acidic and might be poisonous.
- Make sure only to use the correct size and type of battery.
- Do not dispose of batteries together with household waste.
- Please recycle/dispose of the batteries in accordance with local regulations.

### Customer Service

- 🛡️ 12-month limited warranty
- 🛡️ Lifetime technical support

### Legal

- Use of the Works with Apple HomeKit logo means that an electronic accessory has been designed to connect specifically to iPod touch, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standard. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards.
- Controlling this HomeKit-enabled accessory automatically and away from home requires an Apple TV with tvOS 10.1 or later or an iPad with iOS 10.1 or later set up as a home hub.
- Apple, Apple Watch, iPad, iPad Air, iPhone, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. HomeKit is a trademark of Apple Inc.

### Operation is Subject to the Following Two Conditions

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference
- (2) this device must accept any interference received, including interference that may cause undesired operation.

7 ➡

### To assure continued FCC compliance:

1. Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the equipment.
- 2.This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

**The manufacturer is not responsible for any radio or tv interference caused by unauthorized modifications or change to this equipment. Such modifications or change could void the user's authority to operate the equipment.**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off

8 ➡

and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- (1) Reorient or relocate the receiving antenna.
- (2) Increase the separation between the equipment and receiver.
- (3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- (4) Consult the dealer or an experienced radio/TV technician for help.
