FCC Model Difference OBDLRA1 and GENLRA3 FCC ID:2ARKMOBDLRA1

Model Number: OBDLRA1, GENLRA3

To whom it may concern,

We, CoreKinect LLC, declare that the RF schematic, RF hardware version, and RF operating parameters are the same for both the OBDLRA1 and GENLRA3. The differences between the two models are the plastic case formfactor and battery capacity due to different attachment styles and length of time operating between battery charging/replacement.
