

## EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p><b>EUT View 1</b></p>	
<p><b>EUT View 2</b></p>	

<p><b>EUT View 3</b></p>	 A black mobile phone is shown from the back, positioned vertically. The phone has a dual-camera system in the top left corner, a fingerprint sensor in the center, and the 'wölki' logo below it. The 'W626' model number is printed at the bottom. A black ruler with white markings is placed horizontally below the phone, showing measurements in millimeters. The background is a blue textured surface.
<p><b>EUT View 4</b></p>	 A close-up view of the back of the black mobile phone. The camera lenses and the 'wölki' logo are clearly visible. The 'W626' model number is also visible. A black ruler with white markings is placed horizontally below the phone, showing measurements in millimeters. The background is a blue textured surface.

<p><b>EUT View 5</b></p>	 A photograph showing the back of a black smartphone. The phone is positioned horizontally on a blue textured surface. A black ruler with white markings is placed vertically to the left of the phone, showing measurements in millimeters. The phone's back features a camera module with two lenses and a flash, the 'wölki' logo, and the 'W326' model number. The ruler shows the phone is approximately 150 mm wide.
<p><b>EUT View 6</b></p>	 A photograph showing the back of a black smartphone, rotated 90 degrees counter-clockwise from the previous view. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally below the phone, showing measurements in millimeters. The phone's back features a camera module with two lenses and a flash, the 'wölki' logo, and the 'W326' model number. The ruler shows the phone is approximately 75 mm high.
