

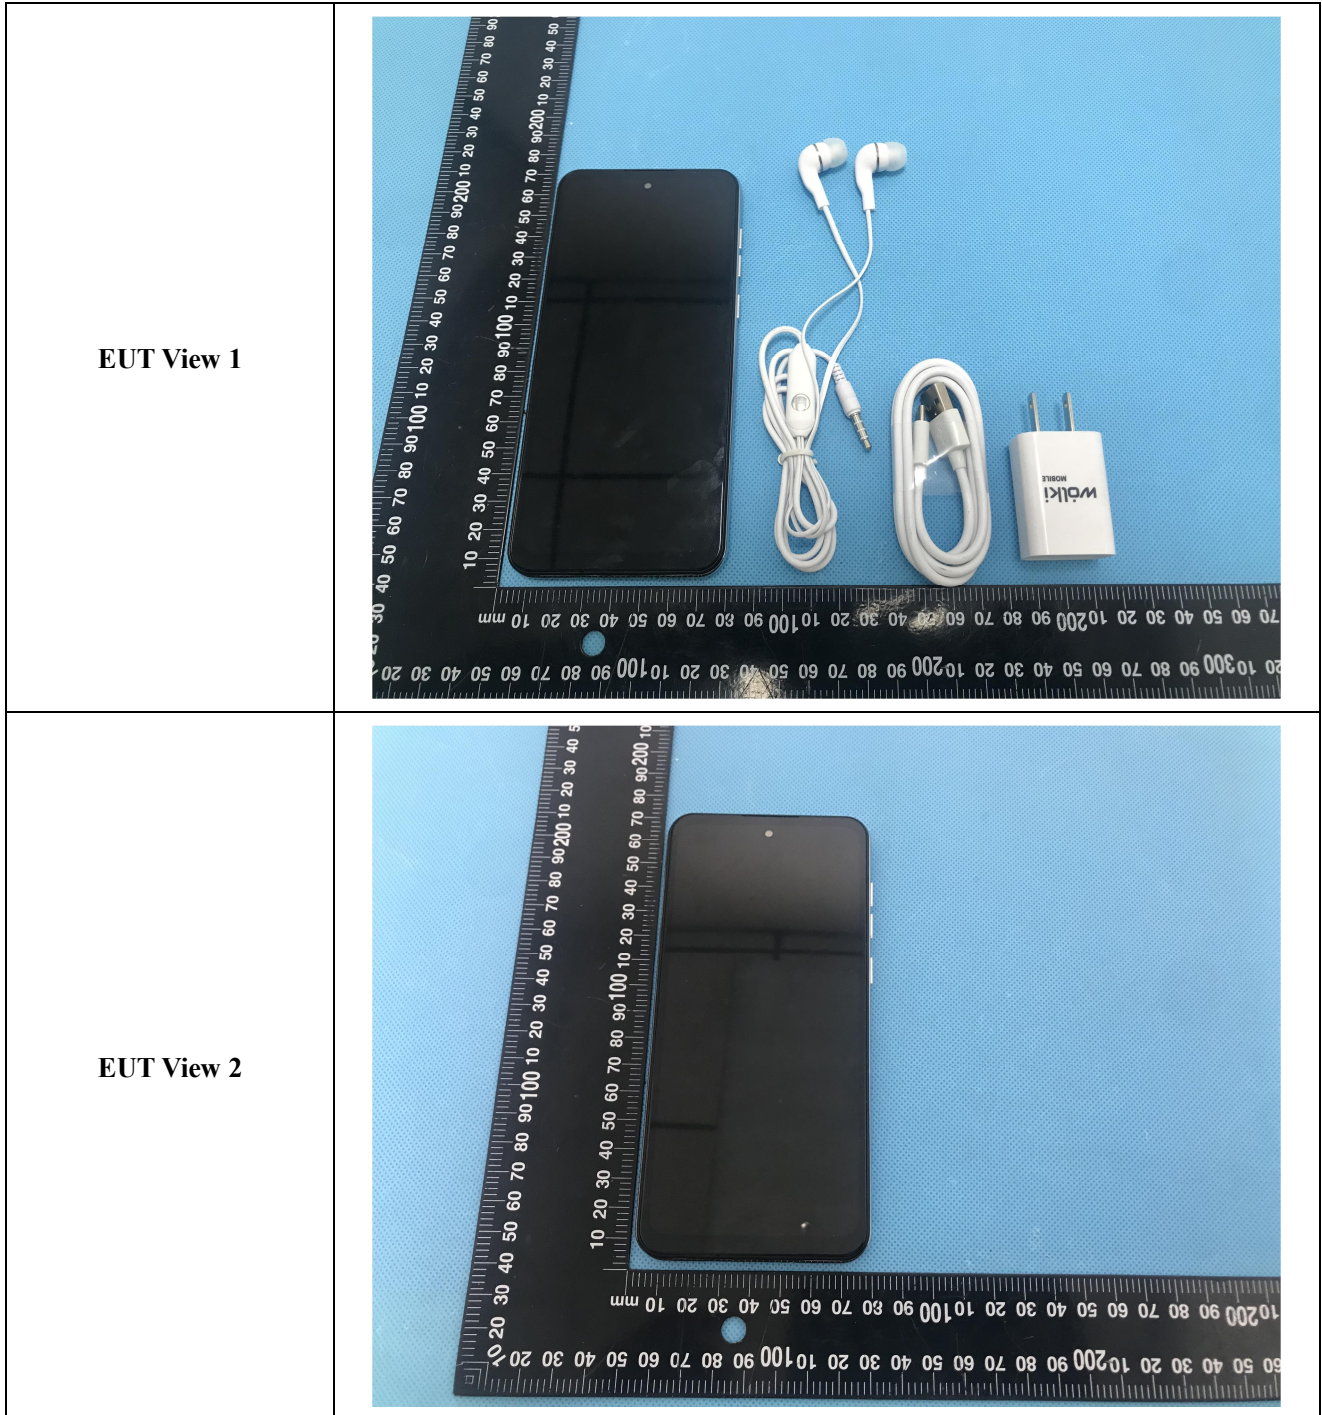

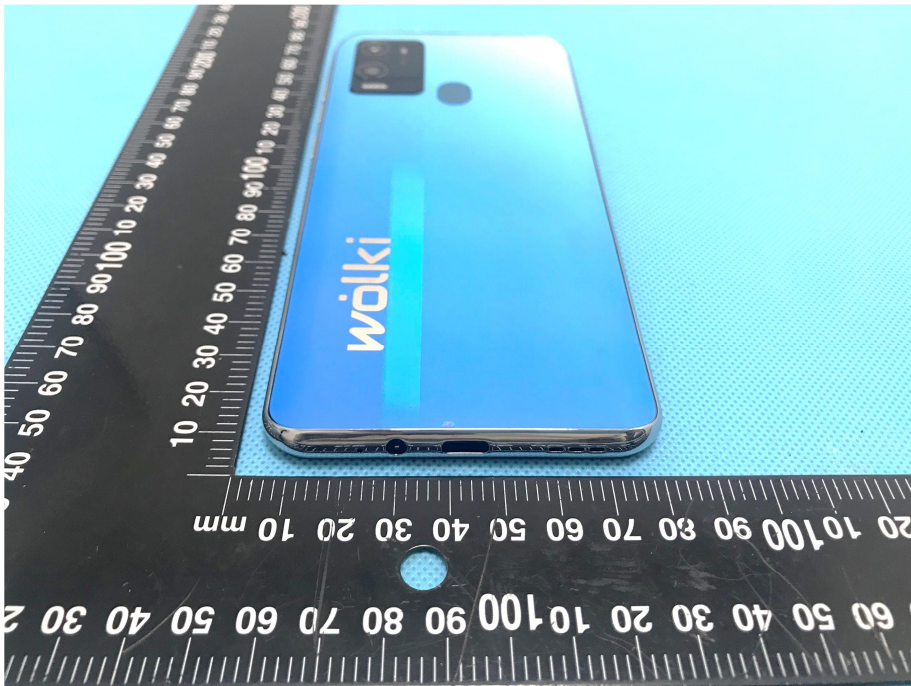

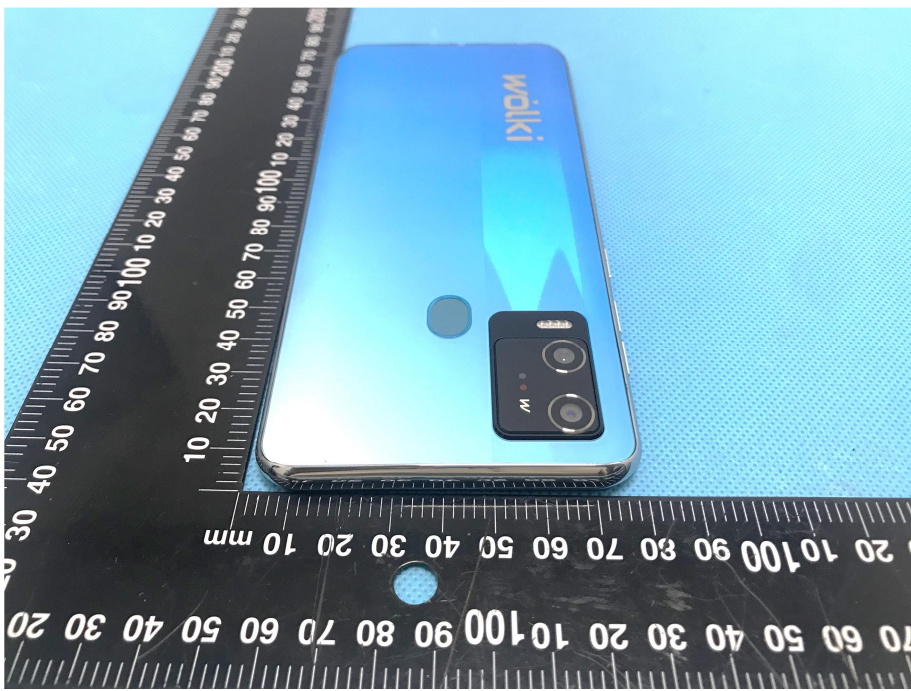

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 3</p>	 A photograph showing the back of a blue smartphone. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed to the left of the phone, showing measurements in millimeters. The phone's back features a camera module at the top left, a fingerprint sensor in the center, and the 'wolki' logo at the bottom. The ruler shows the phone's height is approximately 150 mm.
<p>EUT View 4</p>	 A photograph showing the bottom of a blue smartphone. The phone is positioned horizontally on a blue textured surface. A black ruler with white markings is placed above and below the phone, showing measurements in millimeters. The phone's bottom edge features a charging port and a speaker grille. The ruler shows the phone's width is approximately 75 mm.

<p>EUT View 5</p>	 A photograph showing the back of a blue smartphone. The phone is lying on a black ruler with white markings. The word "wolki" is printed in white on the back of the phone. The camera module is located in the top right corner and contains two lenses and a flash. A circular fingerprint sensor is positioned in the center of the back. The ruler shows measurements in millimeters, with the phone's width being approximately 75 mm.
<p>EUT View 6</p>	 A photograph showing the back of the same blue smartphone from a slightly different angle. The "wolki" branding is visible. The camera module and fingerprint sensor are clearly shown. The phone is placed on the same black ruler for scale. The ruler markings are visible, showing the phone's width is approximately 75 mm.
