

Cover letter for C2PC

This application for C2PC is prepared to add a new model variant to the following certifications:
FCC ID: 2AROD-004
IC: 24483-004.

The PMN of the new variant is VR-3. The radio parts between VR-3 and the original product XR-3 are identical. The difference between the two variants is the removal of some non-radio features. These changes are listed on the attached HW architecture, and the visual differences can be seen on the document "external photosLQ.pdf".
