

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 A photograph showing a grey retro-bit controller, a black USB dongle, and a grey rectangular box. The items are placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically on the left side of the image, with markings from 0 to 100 mm. The controller is in the center, the USB dongle is to its right, and the grey box is to the right of the dongle. The controller has a joystick on the left, a directional pad, a red 'START' button, a green button, a blue button, and four yellow buttons. The text 'retro-bit' is visible on the top of the controller.
<p>EUT View 2</p>	 A close-up photograph of the grey retro-bit controller. The controller is centered in the frame, with a black ruler with white markings to its left. The ruler is oriented vertically, with markings from 0 to 100 mm. The controller features a joystick, a directional pad, a red 'START' button, a green button, a blue button, and four yellow buttons. The text 'retro-bit' is visible on the top of the controller.

<p>EUT View 3</p>	 A photograph showing the back of a grey game controller. The controller has two analog sticks, a central square button, and a small rectangular port. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
<p>EUT View 4</p>	 A photograph showing the front of a grey game controller. It features a directional pad, a red start button, a green button, a blue button, and four yellow buttons. A white analog stick is on the right. The controller is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
