

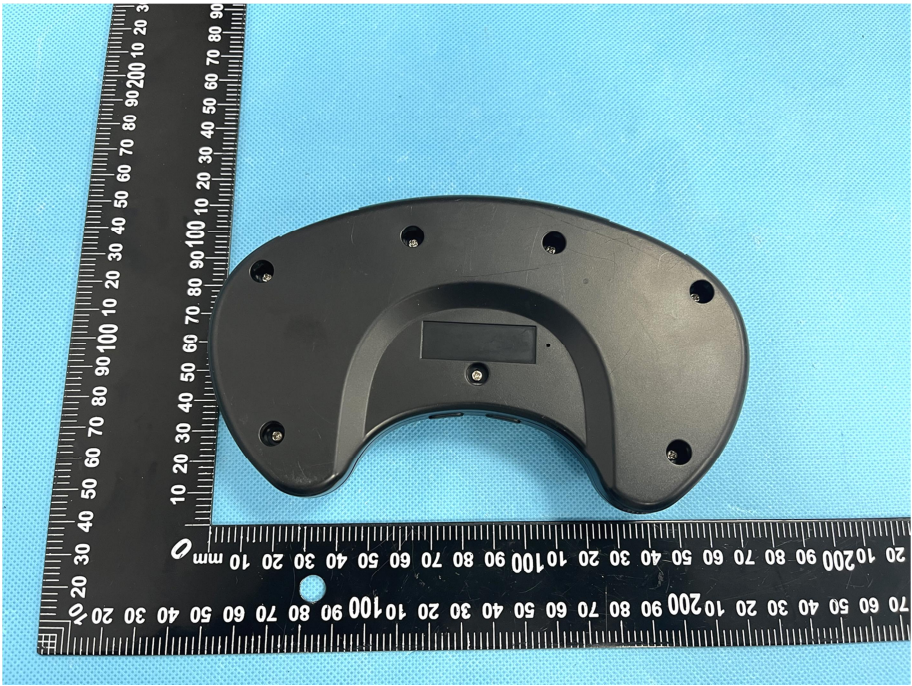

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 A black Sega Genesis controller is shown from a top-down perspective. To its right are a small black USB dongle and a larger black rectangular receiver. A black ruler with white markings is positioned vertically and horizontally to provide scale. The background is a light blue textured surface.
<p>EUT View 2</p>	 A black Sega Genesis controller is shown from a slightly different angle than in View 1. A black ruler with white markings is positioned vertically and horizontally to provide scale. The background is a light blue textured surface.

<p>EUT View 3</p>	 <p>A photograph showing the back view of a black game controller. The controller is positioned on a light blue textured surface. A black ruler with white markings is placed vertically to the left of the controller and horizontally below it. The ruler shows measurements in millimeters and centimeters. The controller has a curved shape with several small circular holes and a rectangular cutout in the center.</p>
<p>EUT View 4</p>	 <p>A photograph showing the front view of the same black game controller. The controller is positioned on a light blue textured surface. A black ruler with white markings is placed vertically to the left of the controller and horizontally below it. The ruler shows measurements in millimeters and centimeters. The controller features a directional pad on the left, several buttons on the right, and two analog sticks.</p>
