

### EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

---

**Conducted Emission  
Test Setup**

**Radiation Emission Test  
Setup (Below 30MHz)**

<p><b>Radiation Emission Test Setup (30MHz to 1GHz)</b></p>	A photograph of a radiation emission test chamber. The walls are lined with white, square-shaped pyramidal absorbers. In the center, a yellow test table is positioned on a circular platform. Several long, silver metal poles are arranged in a semi-circle around the table. The floor is marked with yellow and black diagonal stripes.
<p><b>Radiation Emission Test Setup (1GHz to 18GHz)</b></p>	A photograph of a radiation emission test chamber. The walls are lined with white, square-shaped pyramidal absorbers. In the center, a yellow test table is positioned on a circular platform. A white, rectangular object is placed on the table. To the right, a red antenna is visible. The floor is marked with yellow and black diagonal stripes.

**Radiation Emission Test Setup (Above 18GHz)**
