FCC Class II Permissive Change Request Letter

2019-06-28

To FCC:

RE: FCC Permissive II Change Request for Company: GOCOM Technology Co.,Ltd.

FCC ID: 2ARRE-2018G100

We are submitting an application for a class II permissive change to the FCC approval of the Company name: **GOCOM Technology Co.,Ltd.**, product description: **two way radio** (FCC ID: **2ARRE-2018G100**, Original Grant Date: **2018-11-22**). The internal circuit board and transmitter part has not changed. Here are the changes:

The New application is added a battery housing screw and hang ling hole. The others are the same as original.

The SAR was tested and conform the standards.

Sincerely,

Client's name / title : Snow.Huang / Sales Executive
