<p>EUT View 9</p>	 A photograph showing a small, white, L-shaped ceramic component. The component has a small, circular hole on its vertical stem. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 15 mm. The ruler is oriented vertically, and the component is positioned horizontally.
<p>EUT View 10</p>	 A photograph showing the same white ceramic component from a different perspective. The component is L-shaped with a larger, circular hole on its vertical stem. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 15 mm. The ruler is oriented vertically, and the component is positioned horizontally.
