To whom it may concern

Inductosense is a registered establishment, ref: UK VAT number is 227006245.

Inductosense, hereby authorises Element Materials Technology to act on our behalf in all manners relating to the registration of equipment, including signing of all documents relating to these matters. Any and all acts carried out by Element Materials Technology on our behalf shall have the same effect as acts of our own.

Inductosense is not subject to a denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

In authorizing Element Materials Technology as our agent, Inductosense will:

- comply with the relevant provisions of the certification program;
- make all necessary arrangements for the conduct of the evaluation, including provision for examining documentation and access to all areas, records (including internal audit reports) and personnel for the purposes of evaluation (e.g. testing, inspection, assessment, surveillance, reassessment) and resolution of complaints;
- make claims regarding certification only in respect of the scope for which certification has been granted;
- not use our product certification in such a manner as to bring the Certification Division into disrepute and not make any statement regarding our product certification which the Certification Division may consider misleading or unauthorized;
- upon suspension or cancellation of certification, discontinue use of all advertising matter that contains any reference thereto and return any certification documents as required by the Certification Division;
- use certification only to indicate the products are certified as being in conformity with specified standards;

- endeavor to ensure that no certificate or report nor any part thereof is used in a misleading manner;
- ensure that any reference to our product certification in communication media such as documents, brochures or advertising, complies with the requirements of the Certification Division;
- keep a record of all complaints made known to the us relating to the product's compliance with requirements of the relevant standard and to make these records available to the Certification Division when requested;
- take appropriate action with respect to such complaints and any deficiencies found in products or services that affect compliance with the requirements for certification;
- document the actions taken.

This authorization is valid until further written notice from the applicant
