QUICK START GUIDE

CHARGING YOUR WATCH

We recommend plugging the USB charger into your computer to charge your watch.

CHARGING YOUR WATCH

Align the metal pins on the charger to the back of the watch. Clip the charger into place.

HOW TO TURN ON/OFF

Power on: Tap and hold the one-touch button for 3 seconds.

Power Off: Navigate to the settings menu, tap and hold to enter this section. Next, navigate to the 'Power Off' screen. Once there, simply tap and hold the one touch button on the 'Power Off' screen to turn off your device.

ENJOYING YOUR ITOUCH ACTIVE 2

To navigate through the features of your device, tap on the one touch button. Simply tap and hold the one touch button to activate a feature.
