**Subject: Application for New Single Certification, FCC ID: 2AS3XSMCT3**

Dear Application Examiner,

The purpose of this filing is to apply for a new LoRa and LoRa HF Device, manufactured by Certified Safety, Inc., that operates in the 902 to 928 MHz band and the 2400 to 2483.5 MHz band. This device does not utilize the FHSS properties of LoRa and operates in a mode consistent with DTS devices.

Your efforts in reviewing this application are greatly appreciated. Please contact me if there are questions or additional information needed concerning this request.

Sincerely,

A handwritten signature in black ink, appearing to read 'Aaron S. Froehlich'. The signature is fluid and cursive.

Aaron S. Froehlich, EMC Test Engineer —SGS North America—
