

Overview

Control Button

Press once to turn sensor on.

Double-press to start a new tracking section

Tracking

Attach the sensor to product.
Consume the product as you would normally do. Sensor will reorder automatically when product is depleting.

Reorder

You can initiate a manual reorder at anytime by holding the button for 5 seconds. Your order status can be viewed in the Candibell app.

FCC Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement.

The device can be used in portable exposure condition without restriction.

This device must not be co-located for operating in conjunction with any other antenna or transmitter.

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

Download Candibell App

Follow instructions in app to set up Candibell sensor and hub.
