The image shows a template for a rating label. On the left, a rectangular label is shown with a red border. The label contains the following text: **MERKURY**, 2.4G Wireless Keyboard, Model: MI-L003C, Input: 3V = 20mA, Made in China, FCC ID: 2A5TV-ST-8K09. Below this text are the FCC and CE logos. To the right of the label, a vertical dimension line indicates a height of 19 mm, and a horizontal dimension line indicates a width of 29 mm. To the right of the label are two color swatches: a black square labeled 'BLACK for Text' and a white square labeled 'WHITE for Sticker'. At the bottom of the template, a red asterisked note reads '*Do not print the red line*'. The entire template is enclosed in a blue border.
