Class A / B Digital Device user manual statements		V

- Users are able to access the information in **no more than 3 steps** in a device's menu.
- The actual Steps are:
 - Power on your Ledger Stax by pressing the right-side button.
 - Press and hold the right-side button for a couple of seconds.
 - In the upper right corner of the device, tap the **Info icon** .
 - Tap **Legal & Regulatory**.

The E-Label can be accessed without any special accessories, access codes, or SIM card having to be in place.

- Electronic labeling information is programmed into the device by the manufacturer at the time of manufacture.
- Electronic labeling information is not modifiable by any third party.
- A temporary removable adhesive label will be used on the product.
