<p>Solder Board-Component View 6</p>	 <p>A photograph showing a small green printed circuit board (PCB) component, identified as View 6. The component is rectangular and features a central gold-colored connector with multiple pins. It is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler has white markings in millimeters, with the horizontal scale at the bottom and the vertical scale on the left. The component is positioned between the 10 mm and 20 mm marks on both scales.</p>
<p>Solder Board-Component View 7</p>	 <p>A photograph showing the same green PCB component from a different perspective, identified as View 7. This view shows the reverse side of the component, which has several circular solder pads and traces. It is placed on the same blue textured surface next to the same black L-shaped ruler for scale. The component is positioned between the 10 mm and 20 mm marks on both scales.</p>
